The effect the closing will have on our overall community  
will be unfavorable and devastating for our patrons. Our community  
is currently growing and we are proud to have several  
new businesses that are solely dependent on the post office. We  
have many citizens who have no transportation and having their  
mail delivered to their homes due to safety and security  
reasons causes them a hardship. We are also very proud that  
our building and facilities that house the post office

Currently does not cost the post office any money. Basically,  
our community and the mayor takes care of the upkeep.  
We also do not want to lose our heritage and our identity.
